Re: Old City of York Landfill Site
Springfield Township, York County, Pennsylvania (the "Site")

Dear Mr. Grimm:

This letter follows a special notice letter that was dated November 21, 1991, in connection with the above referenced Site. EPA would like to arrange a meeting with all the potentially responsible parties (PRPs) who received special notice letters to discuss the implementation of the remedy for the Old City of York Landfill Site as set forth in the Record of Decision (ROD) issued on September 30, 1991, and to discuss the elements of a good faith offer. It is EPA's position that a good faith offer which does not include all the elements specified in the November 21, 1991 special notice letter or sets forth conditions upon the good faith offer will be rejected by the Agency. EPA proposes to hold the meeting with the PRPs on January 8, 1992 at 11:00 am.

The 60-day moratorium on enforcement actions triggered by the special notice letters will end on January 24, 1992. EPA encourages all the PRPs to attend the meeting on January 8, 1992. Please contact me at (215) 597-8555 to state your intention regarding attendance at the meeting.

Sincerely,

John Banks
